THE MÖLKKY

RULES OF THE GAME

Game setup :

Put the pins close to one another according to the picture on the right →

Rounds :

Each player in a defined order throws the skittle (called Mölkky).

Happens the following :

- 1 pin is knocked down : he scores as many points as the number shown on the fallen pin.
- 2 to 12 pins are knocked down : he scores as many points as the number of fallen pins.
- no pin falls : he scores 0 !

One puts then the pins upright on the spot where they have fallen, and the next player throws the skittle.

- But :**
- If a player scores over 50 points, his score is lowered to 25 !
 - If a player misses the pins 3 times in a row : he is out !

As soon as a player scores 50 points, he win !

The Mölkky club of Paris

The objectives of the association "Le Bâton Mouche" are to initiate people in and around Paris to Mölkky and have people play together as much as possible .
